

J. PERCY PAGE

J Percy Page high school 2008

This book is our best effort to represent 2008 at J. Percy Page and to offer a glimpse of the culture at our school. We don't have to look at our individual pictures to know that we are a uniquely multicultural group, but school culture is not only who we are; it's what we do. We are reflected in our classrooms, organizations, special events and gatherings, in sports, the arts, the community, and how we choose to spend our 'down time' throughout the year.

All efforts have been made to ensure completeness and accuracy in this book. For any oversights or inaccuracies, please accept our heartfelt apologies and our promise to improve the book each year.

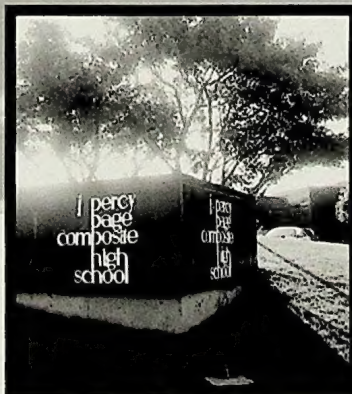

Your book is laid out in sections in our attempt to capture your school year: the staff, special events and candid, athletics, organizations and other activities, 'in the classroom,' Grad, and the 'World Beat' news supplement. For your convenience, a subject index is provided on the final page.

Enjoy...

Welcome to your yearbook!

Ms. Gibson

Life is made of memories. As you reflect on your years at J. Percy Page, may you have fond memories of the staff that supported you in your academic work, the friendships made, the activities in which you participated, the caring atmosphere of the school community, and the valuable lessons learned.

Thank you for making J. Percy Page the wonderful school that it is. Your dedication and commitment, energy and enthusiasm have been great contributions to our school. I wish you all health, success and happiness.

Audrey Gibson
Principal

What a fabulous year! This year, those Grade 10's that started at Page the same year as me are graduating! It has been a true pleasure to come to know so many of you through the good times and the rough times too. I have no doubt that you will go out and make a difference in this world and I can't wait to see what you all will become! Remember that people may doubt what you say, but they will always believe what you do. Whether you are graduating this year, or returning to Page next year, try to be a person of your word, no matter what life may grant you, and stand up for what is right, not what is popular. Have a great summer and keep in touch from wherever you land next year!

Ms. Marino

When we were children, we dreamed of what we would become; movie stars, sports stars, doctors, lawyers and such. As we go through our high school time, we find out more of what our passions are and pursue them. Some learn about what they are early and some continue to learn even after they finish school. Your learning journey will continue for the rest of your life. I am very proud of the students at J. Percy Page who have gone out into the community and helped others. I always tell those I come across what excellent citizens we have, and you have all made everyone very proud. To the Class of 2008, I wish you the best and I look forward in hearing about all the amazing things that you have accomplished. Good luck and always carry that Panther Pride with you.

Mr. Riar

Thanks to JPP students for making my first year a great one! Every day I looked forward to the conversations which took place in the hallways, and appreciated the battle of wits which these conversations often developed into!

Swim Team

The swim team had a fantastic 2007 season! We had a small but enthusiastic team this year, with lots of new members. City Finals were held at the Kinsmen Sports Centre on November 28th. Everyone had fun and swam very well at the meet. Awards for Superior Effort & Attendance went to Shanna Reichert, Ashley Purcha, and James Lord. The most improved swimmers were Alysha Kant, Brent Williams, and James Lord. Congratulations everyone! Thanks to all volunteers, but especially to Mr. Ken Purcha, who helped us out so much this year. We are all looking forward to next fall where we can improve our times and compete again in the pool. If you enjoy swimming, come out and join us at the Water Polo Camp in April and the 2008 Swim season beginning in September.

Indoor Soccer

The Indoor Soccer team worked very hard this year with all their Monday morning practices and late Friday after school practices. Coaches Mr. Prosser and Mr. Trew enjoyed putting the team through the paces each practice by participating and teaching the 'young bucks' a thing or two about going hard into a corner - none of this taking a dive stuff was allowed on this team. Many players are returning next year to bring another strong squad in for next season.

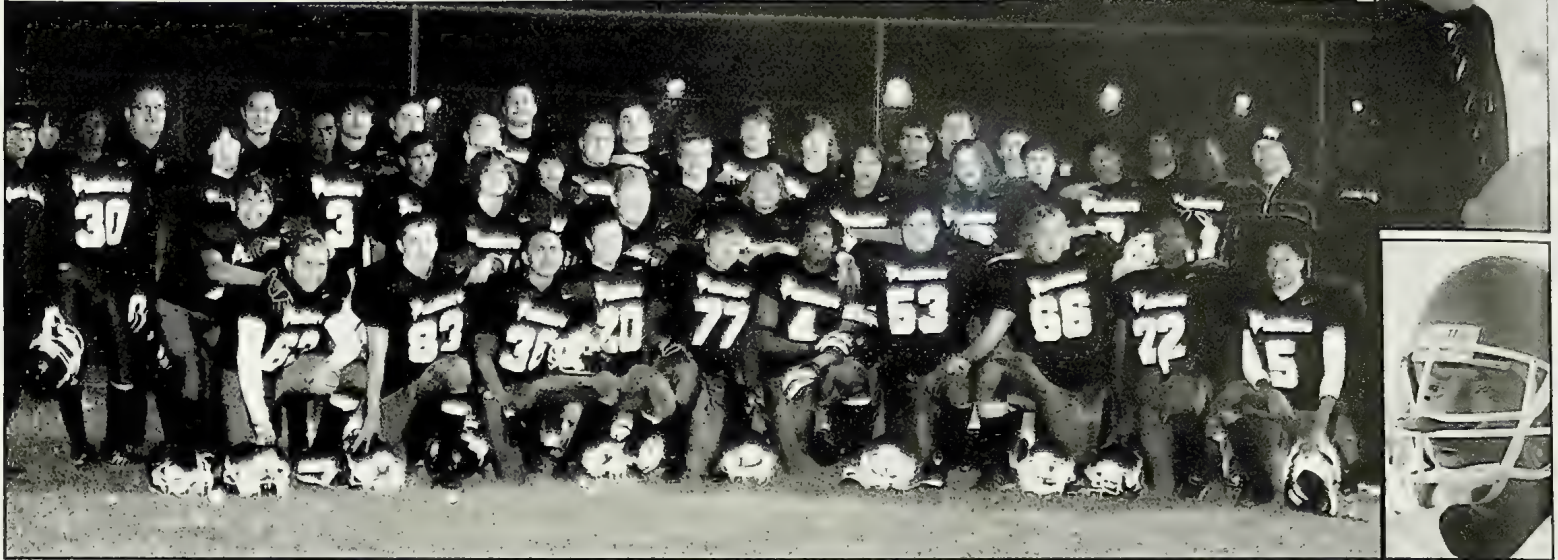

Wrestling

The wrestling team enjoyed great success this year with six athletes going to the City Finals, four of which received medals. The team was very committed with Coach Anderson running practices twice a week and working the athletes hard. Next year looks to be another great success with many returning athletes.

Football

This year the Page Football team had a huge insurgent of rookie grade 10 players come out. Despite thier age and size, the boys played remarkably well and stood up to many teams with squads full of grade 12 players. Congratulations to the many players who are graduating and moving on next year; we hope to see you come back to your school and help out in the years to come. Congrats to Max Thompson, the teams MVP. Next year looks to be a very strong year with many returning players.

Jr. Women's & Men's Volleyball

Above: The Jr. Girls enjoying a hike on a trip to Canmore.

The Jr. Women's volleyball program continued to grow with the help of Ms. Rapaich throughout the season. The girls worked really hard all year long. They enjoyed a great trip to Canmore where all the girls soaked up the mountain scenery and had a few late nights chatting it up to all hours of the evening, only to realize it brought them all closer together as a team.

Above: Good ol'fashioned male bonding going on.

This year the Jr. Men welcomed a new coach in Ann Blackall to the team. The boys had a great season and really enjoyed themselves throughout. Thanks to Coach Ann for all her help along the way, next season looks to be another great year!

Sr. Men's Volleyball

The Senior Men's Volleyball Team was comprised of a group of talented young men who were not only extremely focused but also highly motivated. The first highlight of the season was our trip to Vancouver to compete in the University of British Columbia's 40 Team Tournament. In a tournament that features the best teams from B.C., Alberta and Manitoba, our boys represented our school well, showing that we can compete on a provincial level. The second highlight of our season was the Top Gun Invitational Volleyball Tournament. Teams visited us from Norway, British Columbia, Saskatchewan and Alberta. Again, our young men played admirably and showed that we can compete at a high level. Still another highlight was the selection of Alex Jamani to the Journal All-Star team. This all-star team is a group of athletes recognized by other coaches throughout the district for their contributions to their teams, the league and in this case the sport of Volleyball in general. Congratulations Alex! It is the end of an era here in Panthers' Volleyball as we say goodbye to Alex Jamani, Ivan Matyukhin, Adam Stuckless, Navin Ramharak, and Raj Jassar. We wish them well in all their post-secondary athletic endeavors. We are happy to be returning 6 strong players in Matt Ramshaw, Stefan Luedersdorf, Hamed Hakwik, Mogtaba Abdelmoniem, Jarrod L'Hirondelle and Sam Badre. In addition, we are looking forward to the graduating players from Ms. Blackalls Junior Boys teams to round out our roster for next fall.

Thank you for supporting us all season long, and we look forward to seeing you in September 2008.

Sr. Women's Volleyball

This year the Sr. Womens Volleyball team travelled to Vancouver to compete in the UBC

Invitational. The girls had a great trip. A few highlights included running bare foot in the rain after a match, going shopping on Grandville Island and going out for fancy dinners. The girls also really came together as a team, using the trip as a bonding experience along with Mr. Stawnicky.

Another high point on the season was the team earning a Bronze Plaque for 3rd overall at our own Top Gun Tournament by beating M.E Lazerte. Other memorable moments on the season had Sarah Penney receiving a Journal All Star Award voted by other coaches around the league and the girls narrowly missing the finals for the City Championship. The team next year will

miss the following girls who are graduating: Leigh Pederson, Fran Grabinsky, Sarah Penney, Karley Shewchuk, Alanna Grant, Lee Anne Gagne, and Cassandra Rasko. I truly thank you and wish you luck in all that you do girls! Still waiting for that rematch though...

Jr. Men's Basketball

Above: Warming up before a big game.
Below: Coach Ferrero and the boys flexing their stuff

The junior boys basketball team had a great year overall. We had many grade tens on the team this year, which allowed them to gain an immense amount of experience. It was truly an honor to coach this group of men, they grew as basketball players but more importantly they grew as people. Their hard work and dedication to our program was evident each and every day. This group has a bright future in basketball as well as in life and I am glad that I was able to be a part of this process. Congratulations on a successful season gentlemen. Your coach Mr. Ferrero.

Jr. Women's Basketball

Coach: Kelti Oviatt came in half way through the season to help the girls for the rest of the way.

Above and Right:
The Jr. Girls have some fun with thier initial coach Megan.

The Jr. Women's Basketball Team had a re-building season this year. Unfortunately, their first coach Megan could not finish the season for the girls. She really enjoyed her time spent at Page and had a great time coaching. However, they gained a new head coach in Kelti Oviatt in the middle of the season. The team practiced hard all year, including many practices with the Sr. Girls to help them tune up thier skills. The Jr. Women had a successful season, making it to the semi-finals, only to lose a close game and not advance. The team is excited about next year, with many of the girls moving on to the senior team next year.

Sr. Men's Basketball

Coach "I'll tell you something right now" Mosén

The 07/08 Sr. Boy's Basketball campaign was one of the most rewarding coaching experiences one could have hoped for. We had the pleasure of welcoming two very talented players from Ottawa to the team for their final year of eligibility. In addition, all but two of our other players were also in their final year. We started out slowly and had to play our way back into the Premier Conference. When we reached the playoffs, we drew the #1 team in the province first, Harry Ainley. Our courageous captain, Alex Jamani, unfortunately went down in the 1st quarter with an ankle sprain and we thought our nightmare had begun. However, to our surprise and delight, Abdi Egeh, Anwar Faza (The Ottawa Connection), and assistant captain Raj Jassar reached deep down and found another level to get us tied going into the fourth quarter! Unfortunately, we did not have enough left in the tank to finish, and fell just shy of one of the biggest upsets in years. Nevertheless, the season was a tremendous success for us with winning gold in the Ardrossan Bison Classic and finishing third at our own WIC tournament. I would like to personally thank all the guys for a season that will be remembered fondly in the years to come!

Sr. Women's Basketball

CITY CHAMPIONS!

All Prayers were answered by winning the City Championship!

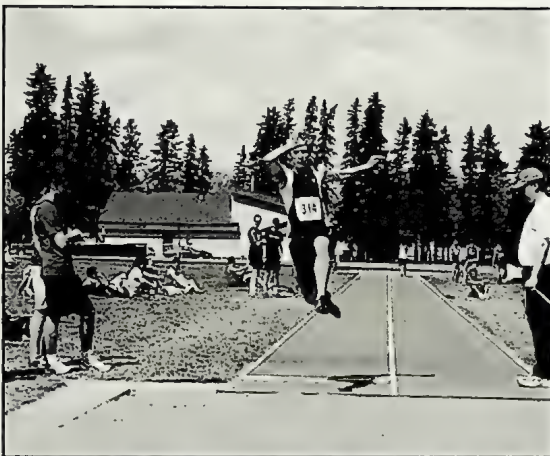

The Senior Women's Basketball Team was made up of a well rounded group of girls who had equal representation from all three grades here at J. Percy Page. These girls, committed to improving, managed to finish the seeding round and attain a place in the Edmonton Public Schools Premier Conference League. Although there were some difficult games, our athletes performed well. After losing a close challenge game to Wagner in the playoffs, our girls were heavily favored to win the City Conference City Championship and went on to take the title quite handily. Next year looks bright as the team sees a possibility of returning 8 players. Thank you for supporting us all season long, and we look forward to seeing you in December 2008. Congratulations to all coaches and athletes!

Another year at J. Percy Page High School and a new step forward towards a dedicated and successful track and field program. This year Mr. Stawnicky, Mr. Mosen, Ms. Rapaich, Ms. McFarlane and Ms. Scott outlined a more focused approach towards track and field; we wanted students to know that although it is a short season, it still requires the same amount of motivation, commitment, and positive energy as any other sport. Starting to redefine the program allowed several athletes to flourish, and it was victorious to witness many of our athletes competing at the city championship level. Max Thompson jumped his way all the way to provincials, placing second in Alberta in long jump. We are proud of all the athleticism demonstrated throughout the season, and we can only encourage all of you to bring future championships home to J Percy Page.

Dance Team

High Gold Award at Candance!!!

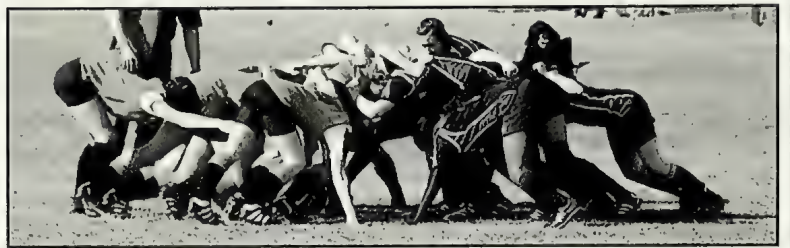

The Panthers' Dance Team, new to J Percy Page this year, was a true pleasure for all. The MacEwan Griffins' Dance Team selected J Percy Page School as the school to mentor, coach and reunite dance to the athletics program. On top of performing at MacEwan College and J Percy Page events, we also experienced the chance of a life time to meet and be trained by the top dance team in the nation (BYU Cougarette's). This season we focused on jazz, pom and hip-hop disciplines, combined with strong performance qualities to make an award winning team. Taking home the Top Novice Group and the High Gold awards at the Candance Competition in March. This first year team was truly amazing to coach and meet. We look forward to seeing what each years brings to the hottest school around J Percy Page! Congratulations to Kristina Marriott-Barber for winning the Dance MVP award!

Sr. Men's Rugby

The Sr. Men's Rugby team continued its success from last year by playing in the Premier Conference for the second straight season. The team had many returning players, which helped with the success of the program and will continue in the future with teams to come. It will be sad to see many of the grade 12 players move on, but you can see many of them play for local club teams in the future. Congrats to all the boys on a great season and thanks to Cam Wilton, James Anderson and James Sochan for all their time coaching - even when the weather was nasty!

Sr. Women's Rugby

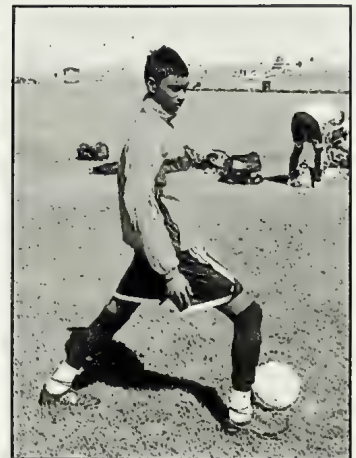

The Women's Rugby Team has a really great season this year. In the pre-season, Lynn Davies tournament the girls won the B-side division which is always a good opening tournament. In the regular season, we moved up to tier 1 after 2 consecutive city championships. We made it to the semi-finals, only to lose a very close tough fought match. We had the most girls ever come out for the team, and I see great things to come in the future for the sport of rugby at J. Percy Page. Congratulations to all the girls who came out and good luck in the future of playing rugby.

Sr. Men's Soccer

CITY CHAMPIONS!!!

Left: The boys pose with the Championship Trophy after beating Victoria High School.

The senior boys completed a very successful season where they captured the city championship. The boys rolled through the regular season with a 4-0-1 record earning a first round bye into the playoffs. They defeated Millwoods Christian 5-2 in the semi-finals and Victoria Comp 3-1 in the championship game. I would like to thank all 22 players for their commitment and effort during the season. MVP was shared between Scott Dickson and Jon Raju. However, every player made special contributions and accepted whatever role was asked of them. Congratulations boys! The school is proud of the championship and the class you showed while winning it.

Sr. Women's Soccer

The Sr. Women's Soccer Team went undefeated for the whole regular season and throughout the playoffs to make it to the City Championship final against Spruce Grove. The girls dominated the City Final game only to come up just a little short and take the silver in the end. The team looks to be strong again next year with many returning players and a consistent coaching staff. Good luck and congrats to all the girls who graduated. Best of luck in your futures!

Badminton

2008 was one of our most successful years for badminton at J. Percy Page. We finished with an 8-6 team record, even though more than half the team was new to the sport. We were able to send numerous team members to zones, where they competed valiantly and came close to the podium.

Page Power

Once again Page Power made positive contributions to the school and surrounding community. Some of the ways we gave of our time included: cupcake sales to buy needed supplies for WIN House,

...entertaining elementary students with a fun filled afternoon at J. Percy Page, and helping Habit for Humanity Build. Thanks to all students who gave of their time and talent to make our community a better place.

J. Percy Page has both a television program, Page TV and a newspaper, The Pawprint. Thank you to Mr. Balbar and the dedicated Page TV crew. Thank you for all your hard work this past year on the paper, Kathryn Wilson, Charlotte Mitchell, Casassandra Rasko, Virginia Patterson and Sandra Lee. Thanks also to the teacher advisors Mrs. Sedens and Ms. Preece.

Travel Club: Greece

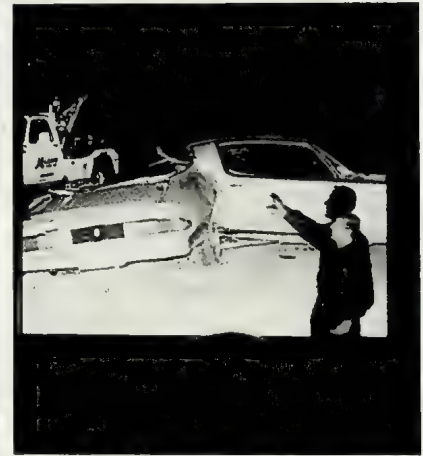

This year the travel club spent an exciting spring break in Greece. After an overnight flight to Athens, we were able to enjoy the sun, sand and sights of the birthplace of democracy. As well, the markets, especially the Plaka in Athens, were great places to buy souvenirs for the students, their family and friends. Some of the places that we saw included the Acropolis, Delphi, Olympia (the site of the first Olympics) islands of Patras, Aegina, and Hydra, the Temple of Poseidan. The students had a great time and many are interested in enjoying more travel in their future. Next year, there are two trips planned, one to Italy and one to London and Paris.

You can look forward to a special knitting adventure planned for the fall 2008.

Students' Union

Students' Union and Student Leadership enjoyed a fun year of activities.

This was another banner year of student activities at J. Percy Page. Students had the chance to celebrate being a part of the J. Percy Page community with a welcome barbeque, Halloween fashion show, Touch of Class, Guitar Hero tournament, Valentines for Everyone and the Bring Your own Banana event. The Students' Union and Leadership also celebrated Pages diversity at Christmas, Eid ul-Fitr, Diwali and Vaisakhi. The Students' Union and Student Leadership enjoyed helping out the less fortunate by shaving their heads for cancer research and collecting clothes for teens. Thanks for a great year from the Students' Union and Student Leadership.

Ping Pong

The Table Tennis/Ping Pong Club once again was in full swing this school year. From early in the mornings, every lunch hour, and late into the afternoons, the tables were busy. From beginners and near beginners to some highly competitive players, the tables saw lots of use and were beginning to show the wear and tear. In March of this year, new competition tables arrived to relieve the worn-out original tables much to the delight of all users! We look forward to many more years of indoor recreation in the TLC Atrium. Thanks to all the players who played together, organized themselves and made the TLC Atrium the place to be when not in class.

Thanks to all the students who made suggestions for titles to add to the library. We've done a good job building our graphic novel collection and we were able to buy almost 100% of the books that staff and students requested for the library.

This year's ski trip saw roughly 75 ski/snowboard enthusiasts invade Fernie for two glorious days at Fernie Alpine Resort. The weather was fantastic and a good time was had by all.

Physical Education

Mr. Stawnicky, Mr. Dunkin and Ms. Rapaich had a great time this year teaching Phys. ed. The PE 30's had a great time at Hela Ventures Camp site at Rocky Mountain House, where the highlights included Leigh Pederson, Jordann Nash, Brennan Hankey and Ryan Pankow tipping over in their canoes - looks like they were in shambles on the water! The PE 20's enjoyed a great overnight stay at Camp Warwa in the spring. Some of the highlights were Mr. Stawnicky scaring all the students by telling some freaky ghost stories (some of which still cause students to check the dark corners in thier rooms at night, hint hint...) The Phys. Ed staff look forward to many more adventures with students next year and you graduating students; don't forget to come back and visit once in a while.

Staff vs. Students

Floor Hockey Championships

For the third straight year, the teachers went undefeated during the round robin floor hockey tournament and undefeated in the playoffs to win their third straight championship. The intramural was a great success as it was a joint effort with Strathcona High School. The runners-up from our tournament went on to play a team from Strathcona on the outdoor tennis courts. It was a close game but unfortunately the Page team came up one goal short in a 3-2 loss to the Lords of Scona. Look for the tournament to continue in the years to come. The teachers look strong again next year with Stawnicky, Cox, Dunkin, Shrimpton, Freed, and Anderson all returning. Good Luck Students!

ESL

We had students from all around the world join us in the ESL classroom this year. We are very thankful for the extra support we have received from Catholic Social Services and their organization of the Homework Club after school.

Students of ESL:

Thank you for all your enthusiasm and dedication throughout the year. I have enjoyed listening to your stories and learning about your culture. Keep practicing your English and enjoy your summer!

LOTE

¡Hola! Bonjour! Sat sri akal! Have you ever wanted to learn a second language? J. Percy Page is the place to take advantage of that desire! We had a blast in Spanish this year, and indulged ourselves in the following experiences: eating Venezuelan food at Don Carmelo and Chilean food at Los Andes; creating paper mache piñatas and busting them ruthlessly to get the candies inside; shaking our stuff and dancing Salsa in the pit; and last by not least, learning how to communicate in Spanish! The French class seemed to be having a terrific time too as they snacked on exquisite French cuisine and presented fashion shows in Français! Learning a second language opens so many doors for you, all the way from facilitating you into post-secondary to communicating and travelling worldwide. Next year we are even offering Punjabi, so if your interests do not fall in Spanish and French, check out this new program! Whatever language you study, you will not regret it!

Legal Studies

Students had the opportunity to apply what they learned in the classroom in a real courtroom.

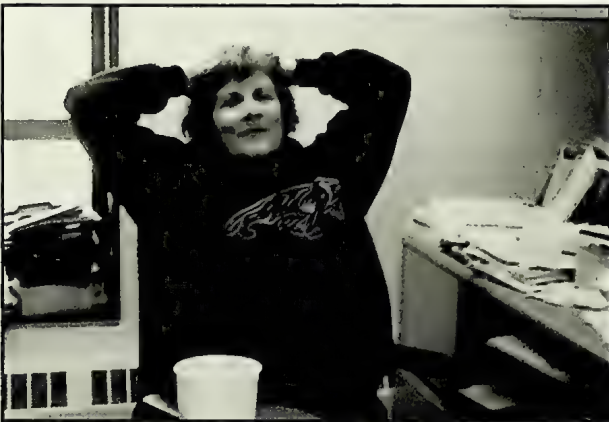

Student Services

Student Services

As usual, it was a busy and productive year in the Student Services Department.

Assistance and advice were provided for E.S.L (English second language) students, students in RAP (Registered Apprenticeship Program), scholarship applicants, students wishing to continue their studies at the post-secondary level, work experience students and those needing special exam accommodations, to list a few services offered here.

Highlights of the 2007-08 year included a very successful and well-attended Post Secondary Night in November and Career Fair in March and Page was ranked among the top 10 schools for the most student applicants to NAIT

The Fine Arts Program is growing at J. Percy Page! This year we enjoyed increased participation in Drama 10, 20 30 as well as Choral 10, 20 30. A huge amount of fun and energy went into writing and directing plays, creating innovative sets, building costume wardrobes, special effects make-up, fantastic lights and sound and of course, outstanding performances.

Hit the high note...Choral

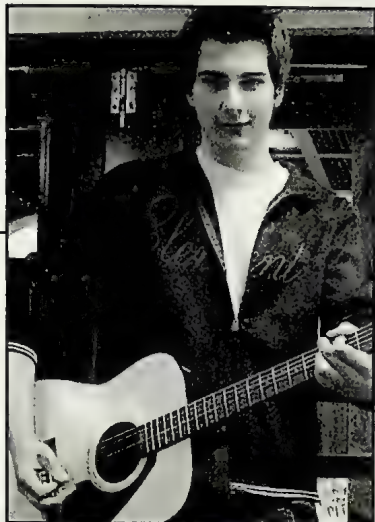

Drama 30s wrote their own collective this year, Channel Surfer, which played out on PHONY TV. Primarily an improvised production, audiences joined in the hilarity of channel surfing the likes of Nerd Toon, Not Much Music and What the Heck TV. Above all that, we still managed to get out seeing some great theatre in this Arts city of ours. We saw Frankensine at the Catalyst Theatre and Choke at The Roxy. What a Fantastic Year!

Automotives

This year has been one of transition in our department as the long standing Automotives teacher Naresh Bhardwaj won in his campaign bid resulting in his resignation. Thankfully, the students from all classes have adjusted exceptionally well. They have been provided with a broad base of relevant theory and practice across all high school levels. Several students have now entered the RAP program in the automotives field and others have enrolled in higher level training indicating their continued interest in the field. We look forward to the upcoming year where students will continue to build daily living and career specific skills.

Technology

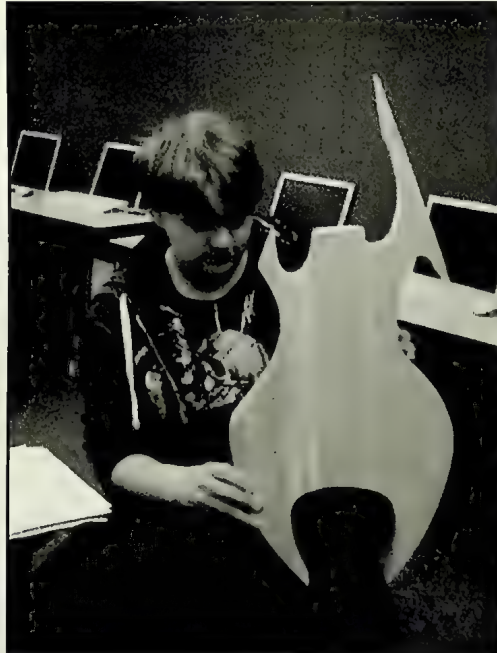

J. Percy Page School continues to lead the way by riding the technology wave! We had an exciting year in technology with the installation of wireless access to the Internet in the cafeteria, library, main rotunda, and Tele-learning Centre areas. Students were able to bring their own notebook computers to school and do research or work on assignments. Some classes used notebook computers exclusively in a paperless classroom environment. Student use of multimedia continues to grow at a phenomenal rate. More students are using more digital cameras, more video camcorders and more media software in more ways than ever before!

School Zone use increased, with more than 80% of all J. Percy Page students signed up to use the service, and over 6000 parent and student log-ins to School Zone during the 2007-2008 school year. Students and their parents can find their interim marks, homework, exam dates, attendance records, assignments, and much more from any computer in the world.

Furthermore, J. Percy Page was the recipient of a technology grant from the Province of Alberta, which enabled us to recently purchase 5 Smart Boards, 2 Senteo Student Response sets, and 10 notebook computers. Look forward to getting Smarter with this technology in the 2008 2009 school year!

Building Construction

The building Construction lab was busy and productive as students were feverishly building and having fun. Our Grade 12s built 5 drawer maple dressers, the 11s built Birch Night Stands and our Grade 10s framed a model shed, built a puzzle, a chair and a finger jointed box.

Foods

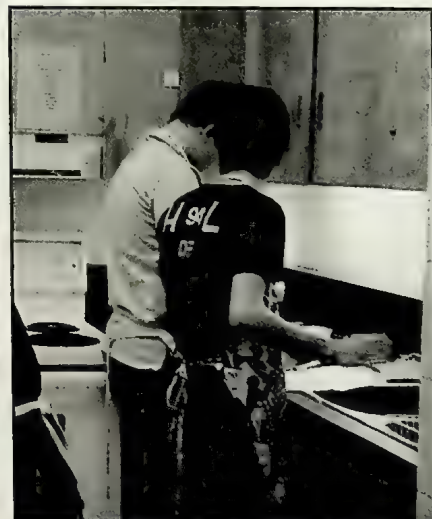

Foods is our most popular CTS course. Throughout Foods 10, 20, and 30, students make a variety of products from cookies to cakes to stir fries and other main dishes.

In addition to regular foods classes, students participated in the Stollery Gingerbread Project, Multicultural Night, and many more events around the school. We hope that students leave our program with the skills they need to prepare healthy and tasty meals at home, or prepare them for a job in the industry. We are excited to compete in the Skills Canada Competition next spring. Salut to good food and fun times!

These pictures were taken during classes, field trips, and after school projects. This year, we went on field trips to Chianti's, Julio's, Mikado, and Joey Tomatoes.

Cosmetology

2007/8 has brought some changes and continuity in Cosmetology with the arrival of Mrs. Christianson as Program Head and the continuation of the rest of the department. Once again we took our students to the Allied Beauty Associations Hair Show, a large event offering education, demonstrations and an opportunity to purchase tools of the trade. Needless to say that our students don't like to shop!

Similarly, all of you also have experienced forces hindering your journey up to this stage. But, we all were successful in standing up to those forces, and can
take great pride in achieving our teachers dreams, our families dreams, and our dreams.

I first want to recognize the teachers and thank them for all their hard work. After 3 years of attending J. Percy Page, I will always remember the friends who have accompanied me to this point, the old stories of Mrs. Panytyk, the every day smile that appeared on her face, the knowledge that she shared with us, the short cute little salutes from Mr. Balbar, the cool time spent with Mr. Chaudary, and last but not the least, the support provided by Mrs. Gerke in Student Services. Thank you.

I next want to thank my family. I know I will never be able to make you, our families, proud. Hopefully those wishes you made those many years ago are coming true, and I know I will not be the only one who makes his parents proud, is the proudest of all.
